SUNNY MEETING TABLES

Designer: Z Design Team

Sunny is set to be your new favourite with its eye catching features. It will add an aesthetic touch to meeting rooms with its wooden table structure and warm color options.

DESCRIPTION

WOOD STRUCTURE

The tabletop is made from 12mm raw MDF with a wood veneer finish. The underside of the tabletop is made from 30mm thick, beveled edge, lacquered MDF material.

The table legs are made from 18mm thick raw MDF. The legs are shaped with a radius milling process and are lacquered on raw MDF. A gap is left inside the legs for the passage of cables. The support box connecting the legs is made from 18mm thick, lacquered raw MDF. The connection piece for the socket box is made from 18mm thick lacquered MDF. The socket box is mounted onto the tabletop.

ACCESSORIES

3mm felt material is used on the surfaces of the legs that come in contact with the ground.

ELECTRIFICATION

For products with codes ST120120, ST140140, and ST150150, the round push-open INX PRZ 20000601 (2PRZ + CAT5 + CAT3) is positioned on the tabletop.

For products with codes ST240120 and ST300130, two Antares 01 Black sockets (2SBK + 1USB-A/C + 1UPS + 1HDMI) are used. For products with codes ST360140 and ST400140, three Antares 01 Black sockets are used. For products with codes ST440150, ST500150, and ST600180, four Antares 01 Black sockets are used.
