

# SQUID COFFEE TABLE

Technical Data Sheet

## SQUID COFFEE TABLE

Designer: Selami Gündüzeri

The Squid coffee table is inspired by the elegant and dynamic form of a squid. The squid's long, fluid lines and sea-like shape are reflected in the aesthetic structure of the table. The branch-like lines of the table add a modern and unique touch to your space, bringing a sense of nature and creativity into the room.

### DESCRIPTION

#### METAL STRUCTURE

The body is made from Q19 mm diameter, 1.5 mm thick DKP pipe, shaped using CNC bending with special molds. All metal parts are coated with 90-micron thick electrostatic powder coating with a textured finish.

#### WOOD

The wood caps where the product meets the floor are made from solid ash wood.

#### TABLE TOP

The table top is made from 18 mm thick E1 quality particleboard with melamine coating on both surfaces. The four edges of the table are protected with 1 mm PVC edge banding.

#### USAGE AREA

The Squid Coffee Table is designed for indoor spaces such as executive offices, meeting rooms, work areas, and common areas.

#### DESIGNER / COLLECTION

The Squid product group was designed by Selami Gündüzeri for the 2025/2026 collection.
